

Life After Recorder 6

Tuesday 16th May

Trinity Arts and Leisure

Bedford

Workshop on replacement for the database software we use to collect environment data

1000 Arrival, teas and coffees.

1030 Welcome and introductions (Chair)

1045 Database problems in Leicestershire and Rutland: the Cofnod Solution (Sue Timms of LRERC and Roy Tapping of Cofnod)

Sue will explain how using Recorder 6 in a county council was becoming untenable, whilst Roy will explain the solution that is currently being implemented based on Cofnod's own database.

1145 Questions and discussion

1230 Lunch

Please bring your own or use local shops.

1330 Replicating Recorder 6 functionality with Indicia (John van Breda)

John will discuss how Indicia could offer a solution to LERC database needs and look at which R6 functionality it can and can't replicate.

1415 Questions and discussions

1500 Tea and coffee break

1515 LERC Database wish list (Ian Carle of HERC)

The East of England LERCs, having looked at life after Recorder 6 already, will present their wish list for replacement software - "Recorder 7".

1545 Discussion

1600 National Data Website Project (Fran Hitchinson of LERC)

1615 Discussion
